Chapter # VA10

President's Message - Glenn Marshall

VIPMOAA is built on teamwork—combining our members' skills, ideas, and efforts to achieve more together than we could individually. Clear goals, open communication, trust, accountability, and mutual support enable our teams to solve problems, stay motivated, and make steady progress toward chapter objectives.

We champion local and national legislation that benefits the military community. We honor American military traditions by fostering camaraderie among our members, supporting veterans, mentoring young people to become future military leaders, and serving as trusted advisers to surviving spouses.

For years, members have led community programs, helping our chapter earn its outstanding 4-Star status. Many bring extensive leadership experience from their military careers. We invite you to apply your knowledge and creativity by taking a more active role in chapter leadership—plan events, join a committee, or serve on the VIPMOAA Board.

VIPMOAA has team projects underway that could benefit you, our members, future citizen-soldiers, and the communities we so proudly serve:

Events Team: Plan engaging business luncheon topics, speakers, and at special venues.

Membership Team: Reconnect with old comrades at luncheons, expand membership, and engage 1,600 unaffiliated MOAA members.

JROTC/ROTC Team: Mentor young citizen-soldiers who may become our next generation of leaders, a meaningful way for you to never stop serving.

Each team will be described in greater detail, including contact information and instructions for joining in the following pages

VIPMOAA SERVANT LEADERSHIP TEAM

BOARD MINUTES- COL (Ret) Karen Coccio, USA

The minutes to all our board meetings are posted on our website and are available prior to our general membership meeting, the goal being within the week after the board meeting. The minutes will include all the reports presented at the meeting. Questions or concerns can be brought to any board member, and issues will be included as an agenda item. All members are welcome to attend board meetings. To access the minutes, you must be logged onto your account. Go to <https://vipmoaa.org/board-meeting-Minutes>.

Upcoming Events

The Holiday party is right around the corner and always looking for game ideas and even comments and criticisms on past events. Please call or email your ideas. Shopping and “the big game search” is ongoing throughout the year and this year an addition to table decorations will be added. That decoration will also be used as additional prizes. I am hoping to set aside Saturday, 7 November for a fun day to make decorations here in Hampton. More information at the October luncheon and November newsletter.

SURVIVING SPOUSE – COL (Ret) SUZANNE EVANS

Eligible dependents of a Veteran who died from a condition related to service or who died in the line of duty may be eligible for survivor benefits, such as [Dependency and Indemnity Compensation \(DIC\)](#). DIC is a tax-free monetary benefit that some surviving family members may qualify for. When applying for DIC, include the Veteran’s DD214 and death certificate indicating the cause of death.

Other benefits available to survivors include:

- [Survivors Pension](#), which offers monthly payments to qualifying spouses and unmarried dependent children of wartime Veterans who meet certain income and net worth requirements.
- Month of Death Benefit, which is the final monthly payment of any VA compensation or pension benefits the Veteran was receiving.
- [Accrued Benefits](#), which are unpaid benefits the Veteran was due before passing.
- [Burial Allowance](#), which are monetary benefits to help pay for the Veteran’s burial and funeral costs.

Keep it all together

Create a folder that has a copy of your DD214, Advance Care Plan, life insurance policy and pre-need burial eligibility decision letter. Ensure loved ones know where to find it and what actions they need to take after

your death. Having important VA documents organized and easily accessible to your loved ones will relieve some stress after you pass.

Comrade In Arms Support Team – LTC (Ret) Paul Fameli

CAST's Mission:

To stand by our comrades with timely, confidential, and meaningful assistance in maintaining their quality of life and connection to the VIPMOAA community during times of difficulty. CAST exists to strengthen bonds of camaraderie, honors the traditions of military service, and reinforces the spirit of lifelong mutual support.

If you have a need for support, contact Paul Fameli (famelipj@aol.com) or Kathy Schnepf (kathy.schnepf@gmail.com).

For more information check out the VIPMOAA website: vipmoaa.org/Comrade-In-Arms-Support-Team

ROTC/JROTC -LTC (Ret) TOM SWANSON

JROTC's mission is "to motivate young people to be better citizens." Its Cadet Creed emphasizes loyalty, patriotism, honesty, accountability, citizenship, self-improvement, leadership, and support for the Constitution and American values. High school JROTC programs focus on leadership and character development. As JROTC cadets graduate, they will help build a talent pipeline for William & Mary's ROTC program while developing employability skills for the workforce, military service, or post-secondary education.

William & Mary's ROTC unit, the Revolutionary Guard Battalion, prepares students for military and civilian leadership. Scholarships are available, and partnerships with Christopher Newport and Hampton universities support Army, Navy, and Marine Corps officer preparation.

VIPMOAA provides annual awards and scholarships to three local college ROTC programs and regional high school JROTC programs, funded entirely by donations to its community service and charitable account. The board approved a revised JROTC scholarship program offering six competitive \$1,000 Senior Cadet scholarships, replacing the previous \$500 instructor-selected awards. Students will apply through the VIPMOAA website, and a selection committee will evaluate applications based on JROTC participation, academics, financial need, and how the award supports each student's academic or career goals.

VIPMOAA also aims to support trade schools, apprenticeships, and certificate programs. It will continue recognizing high school junior cadets with an achievement certificate, medal, and \$50 gift card, and college ROTC junior cadets with the MOAA Medal, certificate, and \$500 stipend.

Join our team by contacting LTC Tom Swanson ROTC/JROTC Chair at tgswanson@cox.net or LTC Eugene Lorde elorge@cox.net

CURRENT MEMBERSHIP

TOTAL Active MEMBERS: 195 REGULAR: 89 SURVIVING SPOUSES: 51 85+: 55

For all membership information please contact Maria Tavenner mbtmembership@aol.com or 703-407-2176, or if you have a change in address, rank, marital status, phone number, or email, as well as death of member or spouse. We urge you to recruit **ONE NEW MEMBER**.

New Membership drive – We have received a list, from MOAA at the national level, of about 3000 MOAA members living in the VIPMOAA area who are not members of VIPMOAA. These names were paired down to about 1600 members with email addresses and are in the process of being contacted via email to inform them about joining our chapter. These are being worked on in groups of 200 emails to facilitate ease of management of responses. The initial emailing of 200 notices about VIPMOAA has been sent. Maria Tavenner (mbtmembership@aol.com) is working with Russ White (rushtonwhite@cox.net) on future emails, utilizing the list of 1600 potential contacts. Each of us has the responsibility to recruit new members; you can invite potential members to a meeting or event, or provide them with our website (VIPMOAA.org) which will give them access to our newsletters and membership application. If you would like to be involved more deeply in “growing our chapter” contact Maria or Russ so you can become a part of the Membership Team.

PAUL MIYAMASU photographs everyone but himself. At VIPMOAAA events, we often say, “Smile—you’re on Paul’s *Candid Camera*.” His photos have kept our team in the news, and since becoming president, I often hear from friends who saw us in the Gazette and ask about my PR person and mentor. Paul’s military background has also made him invaluable to our recruiting program. As he steps down, we are seeking someone to succeed him. Thank you, Paul, for making a difference. If you’re interested, contact Glenn Marshall at marsh8279@aol.com.

WANTED:

VIPMOAA is looking for a Vice President to assist our President with the many duties involved in moving our Chapter forward.

We are also looking for anyone willing to assist Craig Schnepf with the Newsletter.

KEY EVENTS IN OCTOBER IN AMERICA'S MILITARY HISTORY

19 October 1781 – The Revolutionary War The British surrender at Yorktown, effective end of the land war in North America. Joint French-American armies of Washington and Rochambeau and the French navy trap Cornwallis and force the surrender of his entire army.

13 October 1812 – The War of 1812 - The Battle of Queenston Heights was a decisive British victory and the first major engagement of the war when US forces invaded Upper Canada (now Ontario) with a coordinated four prong attack.

21 October 1861- The Civil War - The Battle of Ball's Bluff, Virginia. Colonel Edward D. Baker, senator from Oregon and a friend of President Lincoln, led troops across the Potomac River only to be forced back to the river's edge where he was killed. The Union withdrawal turned into a rout with many soldiers drowning while trying to re-cross the icy waters of the Potomac River.

23-26 October 1944 – World War II – The Battle of Leyte Gulf was largest naval battle in WWII and decisive US Naval victory. US forces invaded the Philippines to retake the commonwealth. In the Japanese naval counterattack, Japan deployed its first kamikaze suicide attacks.

October 1965 - The Vietnam War – The Battle of LA Drang Valley was the first major battle between US forces and North Vietnam. The VC and NVA attacked the Special Forces camp at Plei Me, the US launched three counterattacks to cut them off from their retreat.

November 11th is Veteran's Day and the Chapter is urging our members as Veteran's to participate in several events being held to honor those who served our country. The first is a program honoring veterans on **7 November** from 1000 to 1500 hours on the grounds of old Fort Monroe, VA next to the Chamberlin Hotel.

This event is a family event with activities, reenactments, and refreshments focused on Veterans. The second event is on Veteran's Day **11 November** in Williamsburg, at the Discovery Park Blvd, Veterans Bell Tower at 1100 hours in a ceremony to honor Veterans. As a veteran and as a member of VIPMOAA, you deserve to be honored. So, in November be active, be square and be there!

Our Mission Statement:

To be a champion of local and national legislation that benefits our military community. To perpetuate the traditions of the American Military by providing camaraderie among our members, providing support for veterans, and by mentoring young men and women in the community to become America's future military leaders. To be a trusted counselor for our surviving spouses.

September 24th Luncheon meeting at Chihuahua's Mexican Grill (COL PAUL MIYAMASU)

VIPMOAA members listened to Mrs. Frauke Elber discuss her book, "The Tall Man in a Dark Suit," about her uncle, Guenter Braun, and documenting his life as a WWII naval officer cadet and sailor on several different warships in the German Navy ending in his two U-boat missions, the first one between New York and Philadelphia and his second one in the North Atlantic from which he did not return. Mrs. Elber, a glider pilot herself, also has been an active advocate for women in aviation, WWII research and community service. Her book is available on Amazon. She was presented the traditional Jefferson Cup for her presentation. Shown are chapter member and sponsor Tom Swanson, Mrs. Elber, and chapter president Glenn Marshall.

VIPMOAA recognized Mr. Fleming Buck, owner of Fleming's Engraving of Williamsburg; our chapter appreciated the support of Mr. Buck and staff of Flemings where we get our Jefferson Cups and other engraving requirements. Shown are Mr. Buck and chapter president Glenn Marshall.

It's not too late to sign up for the VIPMOAA 22 Oct 2026 Luncheon Meeting at Patriots Colony, 6000 Patriots Colony Dr Williamsburg VA

There he leads a variety of classroom and field courses, including the much-in-demand "Year in the Life of an American Indian" field series. Mr. Reed is a rare survival of our ancient past in America. He has proudly served his country as an Infantry Soldier in the Army National Guard.

Artifacts will be on hand as part of his program.

November 19th “Special Meeting” Luncheon at Anna’s Brick Oven Pizza-Pasta

Our November Chapter Meetings have, in recent years, been billed as “Business Meetings”. Typically, election of officers and updates on the status of the Chapter, but this year our event will be **“Special”**. Yes, we will hold an election to fill a slot that is opening for a Vice President, and yes, will have reports on the health and status of the Chapter, but the Chapter leadership will be presenting the membership with ideas and plans for changes in our Chapter Meeting Schedule and activities for FY2027, voting on approving changes being proposed by the Board of Directors to our Chapter By-Laws, and looking for input and changes to our Community Support Awards and the process of presenting those awards, and discussing “Outreach Actions” that the Chapter Leadership have initiated. Because of the importance of what are significant adjustments and directions for the Chapter, the Board is looking for maximum participation as VIPMOAA moves forward. So, put November 19th on your calendar and let’s have a great turnout for this year’s November Chapter Meeting. See the reservation form on page 11 of this newsletter, or on the VIPMOAA website calendar:

(https://vipmoaa.org/get_calendar_details.cfm?calendarid=128)

A reminder to chapter members: If you make a reservation for an upcoming chapter meeting/luncheon and are not able to attend, payment is still expected. The Chapter must pay for your meal, whether or not you attend. If your plans to attend change BEFORE the reservation cutoff date (and you notify me), I can cancel your reservation and no payment is expected. If things change AFTER the reservation is called in, you can find someone to take your place and they assume payment, or you pay for your reservation as it has already been called into the restaurant. Non-payment on your part is a loss for the chapter; a loss of funds that can be used for scholarships and outreach projects, as well as unfair to members who pay in advance and do not get \$ refunded. Thank you --Kathy Schnepf, Vice President and Meeting/Events Coordinator
